

The Buck's Head is happy to cater for your special occasion - whether it is a wedding (see separate leaflet), birthday, anniversary, retirement, or just a good excuse to gather family and friends together!

Our conservatory restaurant will seat up to 36 people (or more than double that for a standing buffet). The oak wood floor is also very good for dancing!

The Back Room is adjacent to the bar but shielded from it by the large fireplace, (which is lit during the colder winter months providing a very cosy atmosphere). The room will seat up to 12 and is ideal for meetings or laying out a buffet, allowing your guests to linger by the bar, but still be part of the group.

The Back Room opens onto our decked patio area. During the summer months this provides a wonderful venue for parties and barbecues.

The theme of your party is limited only by your imagination and you are welcome to decorate the rooms. Parties we have done in the past have included a summer Caribbean party complete with steel band, a Morris dance workshop, a child's birthday party, a Ceroc dance party and a giant Scalextric evening.

The following menus should be used as a guide. Please feel free to discuss any individual requirements.

Parties of 15 or more people who require a sit down meal are asked to order in advance from the following. Meals may consist of one, two or three courses:
